

We know that it is within our reach to establish a permanent Hellenic Studies program at the University of Toronto. The campaign to raise and invest \$2 million to establish an endowment in Hellenic Studies will accomplish that, but only with your help.

With the renewed strength, focus and enthusiasm of our Board, Members and community, we are looking forward to making this year a monumental one and take a giant leap in fulfilling our new major project initiative.

To achieve this goal, we are asking you to carefully consider one of the following levels of commitment:
