WHO WE ARE

The Hellenic Heritage Foundation is a registered charitable organization dedicated to the preservation, promotion and advancement of Hellenic education, culture and heritage in Canada. Since its inception in 1998, the Foundation has proudly raised over \$16 million towards various community projects and initiatives in Canada including the establishment of a Chair of Modern Greek Studies at York University, an endowed Hellenic Studies Program at the University of Toronto and most recently a Greek Canadian Archive to properly chronicle the history and events that have shaped the experiences of Greek immigrants in Canada.

Considerable capital investments have also been provided to the Greek Community of Toronto, the Greek Orthodox Metropolis, the Hellenic Home for the Aged, the Hellenic Hope Center and the Canadian Institute in Greece.

OUR 2025 FUNDRAISING GALA GOALS

This year, the Foundation's goal is to raise \$500,000 in NET FUNDS which will allow us to continue to provide essential funding, resources, and support to the many community organizations, projects, programs and initiatives we help fund throughout the year.

Net proceeds raised from our Annual Gala will go towards language, cultural and Hellenic heritage programs such as:

- Our student scholarships towards the Heritage Greece Program. This summer study abroad program is available to all North American students of Hellenic Heritage, allowing them to connect to their Hellenic roots through a two week credit course at the American College of Greece in Athens and Thessaloniki.
- Our commitment to support and significantly improve Greek Language schools across Canada through Greek teacher training, Greek school textbook grants and the continued development of our online education platform: www.greeklanguage.ca
- Our sponsorship of community based cultural events through Greek theatre, dance and the arts.
- Our continued support of Hellenic youth through projects, events and initiatives organized by our HHF Next Generation Committee including our annual "HHF Talks" Speaker Series and a newly developed mentorship program.
- Our work through our HHF History Committee including our Hellenic History based podcast series – "HHF Presents" which now has over 15,000 downloads worldwide.

JOIN OUR CAUSE

The Hellenic Heritage Foundation has been instrumental in preserving and promoting Hellenic heritage and culture in Canada. Every year we host our signature fundraising Gala to celebrate our achievements, to raise funds for the Foundation's charitable goals, as well as to raise awareness.

BY SUPPORTING THE ANNUAL GALA, YOU WILL:

- Have the unique branding opportunity to promote your Company, brand or service to a target audience of over 1,000 high net worth attendees and community leaders
- Assist us in providing children and youth with educational and training opportunities through resources and mentorship
- Help support Greek Language Learning in Primary Education, and benefit community programs and initiatives across Canada that would otherwise not receive the funding they deserve & need

Please join me on Saturday, June 7th to support this amazing organization and together let's make this charity event the most incredible yet.

With so many worthwhile causes that ask for your support, we truly appreciate your consideration of ours and invite you to join us as a leading Corporate Sponsor or Donor that believes in the value of community.

Hope you can join us for a magical night.
